

Our Mission — Our Vision

Motor Maids, is a diverse group of women motorcyclists united through a passion for riding while fostering a positive image and promoting safe riding skills.

Honoring the past - Riding toward the future!

We believe it is important to ride and we are proud to be members of a riding club.

We believe that we should have fun in what we do.

We believe in the importance of our history, and in its preservation.

We believe in our traditions.

We believe that presenting a positive image of women motorcyclists demonstrates our respect for each other and for ourselves.

FAQ's about Motor Maids

How do I qualify to be a member?

Membership is open to any woman who owns and rides her own motorcycle or a motorcycle owned by a family member.

Is this club only for single women?

No. Members are married, single, homemakers, business women, etc.

Is there an age requirement?

No, but members are required to have a valid driver's license with a motorcycle endorsement.

I don't ride a Harley. Can I still join?

Absolutely! Our members have a love of motorcycling in common, not the brand or model of motorcycle they ride. At a typical Motor Maid event, you'll see BMW, Harley, Honda, Kawasaki, Moto Guzzi, Suzuki, and Yamaha motorcycles. You'll see a variety of models, too, from cruisers to tourers to sport bikes.

Is this only a touring motorcycle club?

Definitely not! Some of our members tour, others ride to weekend meets within their district, still others commute to work daily. It's not how far you ride, it's that you ride!

Are husbands and significant others allowed to attend a Motor Maid event?

Definitely! They're welcome to attend our district events and the national convention as a guest of a member.

**Oldest Continuously Operated
Women's Riding Organization**
Founded in 1940

**Are you a woman who
rides her own motorcycle?**

If the answer is "YES!", consider joining us as a proud member of the Motor Maids

Riding Events & Convention

The Motor Maids are divided into Districts throughout the United States and Canada. Each District schedules riding events, or meets, throughout the year.

District meets vary from riding to lunch to getting together for weekend motorcycle events. Many Districts participate in various charity events promoted throughout the motorcycling community.

A national convention is held annually in various locations across the U.S. and Canada. It is a special time when members renew friendships and share riding adventures.

Convention events include:

- A timed road-run,
- Self-guided tours of the area,
- A parade of Motor Maids through the host community,
- Lots of good friends and conversation.

The Motor Maids

You are invited to share our history and ride with us into the future.

Who are we?

The 1st Ladies of Motorcycling!

Women motorcyclists from the United States and Canada – grandmothers, aunts, mothers, sisters, daughters, - all riding for the sheer joy of riding and to promote a positive image of motorcycling.

Riding motorcycles of every make, model and color of the rainbow. The Motor Maids are the true “Ladies of Motorcycling.”

“I wish I had found the Motor Maids years ago!”

- First time conventioner
